Sheikh Zayed Grand Mosque

Sheikh Zayed Grand Mosque, Al Rawdah - Abu Dhabi, United Arab Emirates

- Address: Al Rawdah - Abu Dhabi

- Website: www.szgmc.gov.ae

- Description: The Sheikh Zayed Grand Mosque is located in Abu Dhabi, the capital city of the United Arab Emirates. It is the country's largest mosque, and is the key place of worship for daily Islamic prayers. The Grand Mosque was constructed between 1994 and 2007 and was inaugurated in December 2007. The building complex measures approximately 290 by 420 m (950 by 1,380 ft), covering an area of more than 12 hectares (30 acres), excluding exterior landscaping and vehicle parking. The main axis of the building is rotated about 12° south of true west, aligning it in the direction of the Kaaba in Mecca, Saudi Arabia.

The project was launched by the late president of the U.A.E., Sheikh Zayed bin Sultan Al Nahyan, who wanted to establish a structure that would unite the cultural diversity of the Islamic world with the historical and modern values of architecture and art.

Louvre Abu Dhabi

Louvre Abu Dhabi, Saadiyat - Abu Dhabi, United Arab Emirates

- Address: Saadiyat - Abu Dhabi

- Website: www.louvreabudhabi.ae

- Description: The Louvre Abu Dhabi is an art museum located on Saadiyat Island in Abu Dhabi, United Arab Emirates. It runs under an agreement between the UAE and France, signed in March 2007, that allows it to use the Louvre's name until 2037, and has been described by the Louvre as "France's largest cultural project abroad. It is approximately 24,000 square metres (260,000 sq ft) in size, with 8,000 square metres (86,000 sq ft) of galleries, making it the largest art museum in the Arabian peninsula. Artworks from around the world are showcased at the museum, with stated intent to bridge the gap between Eastern and Western art. During the initial Concept Design phase in 2006-2007, Jean Nouvel and his team designed the museum as a "seemingly floating dome structure"; its web-patterned dome allowing the sun to filter through. The overall effect is meant to represent "rays of sunlight passing through date palm fronds in an oasis. The total area of the museum will be approximately 24,000 square metres (260,000 sq ft). The permanent collection will occupy 6,000 square metres (65,000 sq ft), and the temporary exhibitions will take place over 2,000 square metres (22,000 sq ft)
